Sir:

The references cited on attached form PTO-1449 are being called to the attention of the Examiner pursuant to the duty of disclosure under 37 CFR §1.56. A copy of each is enclosed. It is requested that the Examiner make them of record.

This submission is not a representation that a search has been made or that no better art exists. The Examiner should not infer that the documents are in fact material or in fact are prior art merely because they are referenced in this Disclosure Statement. Further, the Examiner should not make an inference relating to the relative pertinence of the art based on the order in which the art is presented.

Although applicant has provided a brief description of the art below, it is requested that the Examiner fully consider the art cited herein and that the Patent and Trademark Office
